## GOSSIP MUST FALL AND DISAPPEAR

On Wednesday night we are studying “Goliath Must Fall” Giants in our lives we must turn over to God and get rid of.

The Sin of gossip can destroy the church, drive people away and worse, affect the fellowship.

Gossip is nothing more than sin. And Satan will use it to destroy everyone he can. We must not play into his hands. Sin is a matter of the heart, (heart checkup please for all of us). Sin makes us lovers of ourselves and our own glory.

God himself is with us; remember He is our Lord. The Bible says, if we have a problem with someone, we go one on one and talk it out and if that doesn't work, we take a leader from the church with us and if that doesn't work, bring it before the church in a Christ like manner.

Let me tell you a little story; names changed to protect the innocent. Mrs. Goodfellow left home a week before Christmas to do some last minute shopping in the city. That night she had not returned home and could not be found. So the good folk of First Baptist Holier Than Thou, begin to talk. They said she went to the city to meet a man she was involved with and left with him, leaving her poor three children, at Christmas none the less, and her wonderful husband an active leader in their church. Some even suggested it was a man who was the leader of the Second Holier Than Thou church in the other city and she ruined his life as well. This was whispered about for week and months.

Bertha Better Than You, started hosting fellowships, desserts, canasta parties in her home so she could flame the gossip. The program was always the same and the gossip about Mrs. Goodfellow continued to grow.

When spring came and the snows began to thaw across the country side, a bearded hiker, discovered in a deep ravine, the body of Mrs. Goodfellow in her car, and all the Christmas gifts she had bought. The unnamed hitch hiker disappeared into thin air and was never seen again.

There are over 28 scriptures in the Bible that talks about watching our tongues, so God must have thought it was important. Not only is gossip bad weather it is true or not, and a sin for the speaker, but also for those who listen and say nothing; they are just as guilty. Someone once told me to watch my tongue, as it is in a wet place and may slip. We must be diligent to slay the giant of gossip, before a life or family or even a church is destroyed.

## Music Man Bradley Gray

### A Note from the Music Man-Bradley Gray

What an amazing event we have coming up on July 20<sup>th</sup>! I'm excited! Not only because one of the top quartets of all time is going to be at Dover, but also because of the buss and interest this event has created. Are you coming? Have you invited others to come? Even if you don't like gospel music, this will be a great time of fellowship with food, homemade cookies, music and Fun!

Just to answer some questions I've received: Yes, there will be plenty of parking using our neighbor's properties as parking lots. The food and fellowship begins at 4:30pm but you can arrive as early as 4:00pm. Our local favorites the Victory Road Quartet will begin singing at 5:30pm and Gold City begins singing at 6:00pm! There will be a 30 X 80 tent with the stage in one end of it.

You can sit under the tent or out in the lawn and still see the group equally well. **BRING YOUR OWN LAWN CHAIRS!**

What about rain? Let's pray the rain away for those days leading up to and including the 20<sup>th</sup>! But if weather doesn't permit an outdoor concert, we will move it to a large church for an indoor concert. Stay tuned to Facebook and our church website if that becomes an issue.

At the end of the day, it's all about Jesus and reaching souls for Him! Who are you bringing to the concert? Bring family, friend, lost and saved alike! This is going to be a blast!

Keep on Singing,

*Bradley -Telephone (270 222 0489)*

### Our New Youth Leaders have a word to say,

We are very excited about our new position at Dover Baptist! We have had the pleasure of meeting several youth and are looking forward to meeting many more.

We will be meeting with the newly elected youth Team soon and put together a "game plan" for our ministry. We know God had big plans for the Dover Youth Ministry. We feel blessed to be a part of His plan.

We had a youth Bible School this year, we have a Bible Study Class on Sundays and Wednesdays, for fun we play games, basketball, volleyball, video games.

Hope to see you 7<sup>th</sup> grader's through high school students. Need a ride call us?

God Bless
