Shaping our Youth!

The Youth Guy and Gal

On Wednesday evenings we have been studying the book of Matthew and learning about Jesus life on earth. We are also learning what it means to be a follower of Jesus Christ.

Our next youth event is fishing with parents, a bonfire and hot dog roast to follow at the church, on September 28th. Fishing will begin at 4pm. Please call, 502 422 1274 or 502 422 0889, with any questions, or any youth you know that we need to visit.

A Note from Our

Treasurer-Linda Swift

As we come into a new year for Dover Baptist Church, we look forward to exciting ways to reach our community for God. Thru your gracious giving we have been able to sponsor and help mission projects as well as complete improvements to our property. We look forward to continued growth because of the generosity of each of you in supporting God's work thru our church. May God continue to bless each of those who let God lead in giving for the cause of Christ.

Children's Director

Kidz are on Fire on Wednesday nights! Fall is coming and with it all kinds of activities. We are starting our study on "Harvest Lessons from the Words of Jesus." What a perfect time to do some seed planting with these wonderful kids. Lessons: I am the Vine: you are the branches; Parable of the sower; parables of the wheat and tares (why bad things happen); and the harvest is plentiful. We learn by discussing while we do crafts, play games and do puzzles. Come join us at any time.

We always have room. Can't wait for the harvest!

Janice Say, Children's Director

Music Man Bradley Gray

I read an article recently by Sarah Piercy where she outlined the 3 main points of “What you miss when you miss a Sunday worship service.” Here are her main 3 points.

1. I MISS UNINTERRUPTED TIME TO LISTEN FOR GOD’S WISDOM
2. I MISS THE VALUE OF WORSHIPPING GOD THROUGH MUSIC WITH OTHERS
3. I MISS THE POWER AND MOVEMENT OF THE CHURCH

While I particularly like point #2, perhaps point #3 is most important. Imagine that your life is a babbling brook. It twists and turns and bubbles and splashes. It’s beautiful, but has little strength. But, what happens when you cross paths with another brook, and another and another? Something bigger starts to happen. Something one babbling brook can’t do on its own: Momentum happens. Then power happens.

In the same way, 100s of people moving in the same God-given direction is POWERFUL! And it doesn’t happen when we are disengaged. In other words, it doesn’t happen when you don’t attend church.

I personally can attest that you never know what you are going to miss when you don’t come to Dover on a given Sunday morning, but I guarantee you’re going to miss something special. Next time you have the opportunity to do something else instead of attending church, choose church. You will be blessed and you won’t be sorry.

Keep on Singing... Bradley
